Individuals and families

A woman with long, wavy brown hair is blowing bubbles. She has her eyes closed and a slight smile. She is holding a red bubble wand in her right hand. Several colorful, iridescent bubbles are floating around her. She is wearing a black top and a silver ring on her finger. The background is a blurred green forest.

► Introducing WorldCare

WorldCare is one of the most comprehensive, benefit-rich products in the international health insurance market today. There are four levels available: Essential, Advance, Excel and Apex. This means you can select the level of cover you prefer to suit your lifestyle, from basic medical treatment, to a more comprehensive package.

You can shape the cover you want by adding the following options providing a more comprehensive package for you and your family.

See how you can take advantage of your WorldCare plan today!

- We also have a range of annual **In and Day-Patient Deductibles** to suit your lifestyle. Deductibles give you greater flexibility to tailor your plan to your needs – from a high deductible to reduce your premium, to a low or nil deductible if you expect to use your plan frequently.

- If you choose an optional Deductible, on WorldCare Advance, WorldCare Excel or WorldCare Apex, you must also select a Co-Insurance Out-Patient Treatment option or an Out-Patient Per Visit Excess option. On WorldCare Essential if you choose an optional Deductible and an Out-Patient Charges option, you must also select a Co-Insurance Out-Patient Treatment option.

- Select **Extended Evacuation and Repatriation** and select **USA Elective Treatment** to give you greater peace of mind if you need to travel abroad.

- Add options of **Wellness, Optical and Vaccinations, Dental Care**, for added flexibility

- You can have an **Out-Patient Per Visit Excess** of either USD 25/EUR 20/GBP 15 or USD 15/EUR 12/GBP 10 per visit to an out-patient medical practitioner
- Choose the **Co-Insurance Out-Patient Treatment** option – pay either 10% or 20% of your out-patient treatment. There is a premium discount associated with this option based on the co-insurance you have selected.

- **Teleconsultation services** will be paid in full with Now Health International medical providers even if you have selected an Out-Patient co-insurance or Out-Patient per visit excess.
