Our Travel Medical Excluding the USA Plans

Comprehensive international medical insurance is an important part of your travel plans to ensure you're protected if you become sick or hurt while abroad. Our Travel Medical plan includes customizable medical coverage, a directory of medical providers, 24-hour travel assistance, and COVID-19 coverage up to the medical maximum you select.

To review the plan benefits, obtain a quote, and purchase a plan, visit our Travel Medical product page.

Who can purchase this plan?

Travelers must be at least 14 days old to be covered by this plan.

Where can I travel?

You are covered for worldwide trips that exclude the USA while traveling outside of your home country, which is the country where you have your permanent residence.

If any part of your trip involves time in the USA, including a layover, you should choose the Seven Corners Travel Medical plan that includes travel to the USA.

United States citizens, including those with dual citizenship, and Green Card/Permanent Resident cardholders cannot buy this plan for travel to the United States and U.S. territories.

Coverage Length

You can buy up to 364 days of coverage. If you buy less than 364 days, we will email you an extension notice before coverage ends. There is a \$5 fee for each extension.

Do you need a Schengen visa?

We recommend you choose Travel Medical Choice and select a \$0 deductible to be certain you meet minimum requirements.

Insurance for Groups

We offer our Travel Medical Choice plan for groups of more than 10 travelers. Visit our groups page to learn more.
